EXPERIENCE

Shine United LLC, Madison WI – *Front End Web Developer*

APRIL 2019 - NOVEMBER 2020

Used design files to create Wordpress and Shopify website templates, multi-platform mobile friendly emails, and digital banner ads. Adhered to ADA and W3C standards. Used Git for version control.

Lighted Harbor, Madison WI – *Graphic Designer / Web Developer*

AUGUST 2014 - SEPTEMBER 2019

Developed, redesigned, and migrated multiple websites and databases. Created graphic work for websites, social media, billboards, minor and major league sports stadiums. Developed and executed full marketing campaigns with a team. Analyzed website success and developed actions to grow clients' businesses.

Pacific Vector, Carlsbad CA – *Intern - Web Developer*

DECEMBER 2013 - FEBRUARY 2014

Worked with senior level web developers and an in-house graphic designer to redesign and implement a website. Created newsletters in HTML and CSS for the company's various businesses.

Freelancer, Madison WI – *Web Developer / Graphic Designer*

JULY 2013 - AUGUST 2014

Designed, developed, and hosted multiple websites including an e-commerce website. Repaired broken websites.

EDUCATION

Madison College – *AA in Web & Digital Media Design*

EXPECTED DIPLOMA 2023
